

Swine Production Career

Tosh Farms is seeking career oriented animal caregivers, with a passion for animals and a desire to advance, to take advantage of the opportunity to build a career in our agricultural based Family Focused business.

Purpose of position: Work as a team player in the daily care, health and maintenance of all animals on-site. You will be a key member of our team dedicated to effective swine production.

Duties

- Maintain high quality sow and piglet health including daily monitoring, vaccinating, and treatments as needed following animal care protocol.
- Maintain proper feeding and watering of the sows and piglets.
- Adhere to safe and humane treatment of the animals by following handling protocols.
- Monitoring the barn environment.
- Adhere to biosecurity protocols.
- Other duties as assigned

Requirements:

- Work well with the team to accomplish daily work requirements.
- Must be driven and need little supervision with time management.
- Must be able to multitask.
- Must be naturally patient in working with livestock and pay attention to detail when it comes to animal care.
- Must have excellent animal husbandry skills.
- Must be able to push, pull, and lift at least 50 pounds.
- Must be able to walk on concrete for long periods of time.
- Must be able to handle exposure to dust, noise, and live animals.
- Must be 18 or older.
- Must have excellent attendance.
